

Maroon 5, If i fell (Tribute to The Beatles)

If I fell in love with you
would you promise to be true
And help me understand
'Cause I've been in love before
And I've found that love is more
That just holding hands

If I gave my heart to you
I must be sure from the very start
that you would love me more than her

If I trust in you, oh please
don't run and hide,
if I love you too, oh please
don't hurt my pride like her
