

# Maroon 5, It Was Always You

Woke up sweating from a dream  
With a different kind of feeling  
All day long my heart was beating  
Searching for the meaning

Hazel eyes,  
I was so color blind  
We were just wasting time  
For my whole life  
We never crossed the line  
Only friends in my mind  
But now I realize,

It was always you  
Can't believe I could not see it all this time, all this time  
It was always you  
Now I know why my heart wasn't satisfied, satisfied  
It was always you, you  
No more guessing who  
Looking back now I know it was always you, always you

All my hidden desires  
Finally came alive  
No, I never told lies  
To you so why would I  
Start tonight

Hazel eyes,  
I was so color blind  
We were just wasting time  
For my whole life  
We never crossed the line  
Only friends in my mind  
But now I realize,

It was always you  
Can't believe I could not see it all this time, all this time  
It was always you  
Now I know why my heart wasn't satisfied, satisfied  
It was always you, you  
No more guessing who  
Looking back now I know it was always you, always you

(Aah, yeah, you, you, you, always you, you, you)  
(Aah, yeah, you, you, you, always you, you, you)

Woke up sweating from a dream  
With a different kind of feeling

It was always you  
Even if I could not see it all this time, all this time  
It was always you  
Now I know why my heart wasn't satisfied, satisfied  
It was always you, you  
No more guessing who  
Looking back now I know it was always you, always you

It was always you
