

Maroon 5, Lost

Had no connection, no faith or direction, no
Searching and searching for someone to save my soul
I was swept up in a wave,
swept up in a wave
When I heard you say my name

Lost, i was lost
i was lost, i was lost
till you loved me
now i am found
now i am found
now i am found
you took me to a place
it was safe
it was safe
Lost, i was lost
i was lost,
now i am found

i was so broken
my heart was an empty space
life was a joke
till the moment i saw your face
saw your face
saw your face

i was swept up in a wave
swept up in a wave
when i heard you say my name
yes, girl!
yes, girl!

Lost, i was lost
i was lost, i was lost
till you loved me
now i am found
now i am found
now i am found
you took me to a place
it was safe
it was safe
Lost, i was lost
i was lost,
now i am found
