Maroon 5, Makes Me Wonder (KCA)

I wake up with blood-shot eyes Struggled to memorize The way it felt between your thighs Pleasure that made you cry Feels so good to be bad Not worth the aftermath, after that, after that Try to get you back

I still don't have the reason And you don't have the time And it really makes me wonder If I ever gave a fuck* about you

Give me something to believe in Cause I don't believe in you Anymore, anymore I wonder if it even makes a difference to try Yeah, so this is goodbye

God damn**, my spinning head Decisions that made my bed Now I must lay in it And deal with things I left unsaid I want to dive into you What you're going through I get behind, make your move Forget about the truth

I still don't have the reason And you don't have the time And it really makes me wonder If I ever gave a fuck* about you

Give me something to believe in Cause I don't believe in you Anymore, anymore I wonder if it even makes a difference it even makes a difference to try Yeah

And you told me how you're feeling
But I don't believe it's true
Anymore, anymore
I wonder if it even makes a difference to cry
(Although)
So this is goodbye

I've been here before
One day I'll wake up
And it won't hurt anymore
You caught me in a lie
I have no alibi
The words you say don't have a meaning

Cause I, still don't have the reason And you don't have the time And it really makes me wonder If I ever gave a fuck* about you and I And so this is goodbye

Give me something to believe in Cause I don't believe in you Anymore, anymore I wonder if it even makes a difference... it even makes a difference to try

Yeah

And you told me how you're feeling But I don't believe it's true Anymore, anymore I wonder if it even makes a difference to cry So this is goodbye

So this is goodbye Yeah, so this is goodbye Yeah, so this is goodbye.
