

# Maroon 5, Not Falling Apart

Ooh

Danced all night, slept all day  
Careless with my heart again  
Fearless when it comes to playing games

You don't cry, you don't care  
Afraid to have a love affair  
Is that your ghost or are you really there?

Now I can't walk, I can't talk anymore  
Since you walked out the door  
And now I'm stuck living out that night again  
I'm not falling apart

Ooh, oh

Weather on a sunny day  
Time slows down; I wish you'd stay  
Pass me by in crowded, dark hallways  
Mmm

Try my hardest not to scream  
I find my heart is growing weak  
So leave your reasons on the bathroom sink

Now I can't walk, I can't talk anymore  
Since you walked out the door  
And now I'm stuck living out that night again  
I'm not falling apart

I heard you say you needed me now  
What's the problem I can't see  
You destroyed me, I won't fall apart again  
I'm not falling apart

Take what you wanted  
I will be just fine  
You will be better off alone at night  
Waiting and falling  
Constantly calling out your name  
Will it ever change?

Now I can't walk, I can't talk anymore  
Since you walked out the door  
And now I'm stuck living out that night again  
I'm not falling apart

I heard you say you needed me now  
What's the problem I can't see  
You destroyed me, I won't fall apart again  
I'm not falling apart

Ohh, ooh
