

# Maroon 5, Nothing Lasts Forever

It is so easy to see  
Dysfunction between you and me  
We must free up these tired souls  
Before the sadness kills us both

I've tried and tried  
To let you know  
I love you  
But I'm letting go  
It may not last  
But I don't know  
I just don't know

If you don't know  
Then you can't care  
Say you'll show up  
But you're not there  
But I'm waiting  
And you want to  
Still afraid that I will desert you

Everyday  
With every worthless word  
We get more far away  
The distance between us  
Makes it so hard to stay  
But nothing lasts forever  
But be honest babe  
It hurts but it may be the only way

A bed that's warm with memories  
Can heal us temporarily  
But misbehaving only makes  
The ditch between us so damn deep

Built a wall around my heart  
Never let it fall apart  
But strangely I wish secretly  
It would fall down while I'm asleep

If you don't know  
Then you can't care  
Say you'll show up  
But you're not there  
But I'm waiting  
And you want to  
Still afraid that I will desert you, babe

Everyday  
With every worthless word  
We get more far away  
The distance between us  
Makes it so hard to stay  
But nothing lasts forever  
But be honest babe  
It hurts but it may be the only way

Though we have not hit the ground  
Doesn't mean we're not still falling  
Oh, I want so bad to pick you up  
But you're still too  
Reluctant to accept my help  
What a shame  
I hope you find somewhere to place the blame

But until then the fact remains

Everyday  
With every worthless word  
We get more far away  
The distance between us  
Makes it so hard to stay  
But nothing lasts forever  
But be honest babe  
It hurts but it may be the only way

Everyday  
With every worthless word  
We get more far away  
The distance between us  
Makes it so hard to stay  
But nothing lasts forever  
But be honest babe  
It hurts but it may be the only way
