Maroon 5, Oliver

And the muggers that day

Several million lovers of that dress that's in the window display And every day they'd say

Oliver Oliver

Oliver

Oliver don't stay

She was quite a woman Quite an understanding woman she was

Sure I really loved her But she acted like a mother to me And she loved me and I'd scream

Nancy Nancy

Nancy

Please take care of me

Oliver, Oliver Oliver, Oliver Oliver

Aaaaahhhhhhhhhhhh

I was overblown by all the card sharks And the muggers that day

Several million lovers of that dress that's in the window display And every day they'd say

Oliver Oliver
