Maroon 5, She Will Be Loved

Beauty queen of only eighteen She had some trouble with herself He was always there to help her She always belonged to someone else

I drove for miles and miles And wound up at your door I've had you so many times but somehow I want more

I don't mind spending everyday
Out on your corner in the pouring rain
Look for the girl with the broken smile
Ask her if she wants to stay awhile
And she will be loved
She will be loved

Tap on my window knock on my door I want to make you feel beautiful I know I tend to get so insecure It doesn't matter anymore

It's not always rainbows and butterflies It's compromise that moves us along My heart is full and my door's always open You come anytime you want

I don't mind spending everyday
Out on your corner in the pouring rain
Look for the girl with the broken smile
Ask her if she wants to stay awhile
And she will be loved
She will be loved
And she will be loved
She will be loved

I know where you hide Alone in your car Know all of the things that make you who you are I know that goodbye means nothing at all Comes back and begs me to catch her every time she falls

Tap on my window knock on my door I want to make you feel beautiful

I don't mind spending everyday
Out on your corner in the pouring rain
Look for the girl with the broken smile
Ask her if she wants to stay awhile
And she will be loved
She will be loved
And she will be loved
She will be loved

(Please don't try so hard to say goodbye) X4
