

Maroon 5, Stutter

I really, I really

Whoa oh, I really need to know
(I really, I really)
Whoa oh, or else you gotta let me go
(I really, I really)

This time I really need to do things right
Shivers that you give me, keep me freezing all night
You make me, shut up ooh yeah

I can't believe it I'm not myself
Certainly I'm thinking about no one else
You make me, shut up

I really, I really need to know
Or else you gotta let me go
Ooh

You're just a fantasy, girl
It's an impossible world
All I want is to be with you always
I need you every day pay some attention to me
All I want is just you and me always

Give me affection I need your perfection
Cause it feels so good you make me
s-stutter, stutter

If I could touch you I'd never let go
Now you got me screaming
And I cannot, shut up, oh, shut up, yeah

Now I am lying on a bedroom floor
Barely even speaking and I cannot, get up

And I really, I really, I really need to know
Or else you gotta let me go
Oooh

You're just a fantasy, girl, it's an impossible world
All I want is to be with you always
I need you every day pay some attention to me
All I want is, you and me always

Give me affection I need your protection
Cause you feel so good, you make me
S-stutter, (I really, I really) stutter, stutter

You knock me down I can't get up
I'm stuck
Gotta stop shaking me up
I can't eat, can't sleep can't think sane
Get under, sinking under

You're just a fantasy, girl
It's an impossible world
All I want is to be with you always
I need you every day pay some attention to me
All I want is you and me always

You're just a fantasy, girl
It's an impossible world
All I want is to be with you always

Give me affection
I need your protection
?Cause it feels so good to make me
S-stutter

(I really ? I really)
You make me s-stutter
(I really ? I really)
You make me s-stutter
