

# Maroon 5, Sweetest Goodbye

Where you are seems to be  
As far as an eternity  
Outstretched arms open hearts  
And if it never ends then when do we start?  
I'll never leave you behind  
Or treat you unkind  
I know you understand (ohh ohh)  
And with a tear in my eye  
Give me the sweetest goodbye  
That I ever did receive

Pushing forward and arching back  
Bring me closer to heart attack  
Say goodbye and just fly away  
When you come back  
I have some things to say

How does it feel to know you never have to be alone  
When you get home (home)  
There must be someplace here that only you and I could go  
So I can show you how I  
Dream away everyday  
Try so hard to disregard  
The rhythm of the rain that drops  
And coincides with the beating of my heart

I'll never leave you behind  
Or treat you unkind

I know you understand (yeah...yeah,yeah,yeah)  
And with a tear in my eye  
Give me the sweetest goodbye  
That I ever,ever,ever did receive

Pushing forward and arching back  
Bring me closer to heart attack  
Say goodbye and just fly away  
When you come back  
I have some things to say

How does it feel to know you never have to be alone  
When you get home (home)  
There must be someplace here that only you and I could go  
So I can show you how I feel...  
feel... feel... feel...

Pushing forward and arching back  
Bring me closer to heart attack  
Say goodbye and just fly away  
When you come back  
I have some things to say

How does it feel to know you never have to be alone  
When you get home (home)  
There must be someplace here that only you and I could go  
So I can show you how I feel...  
feel... feel... feel...
