

Maroon 5, Won't Go Home Without You

I asked her to stay
but she wouldn't listen
she left before i had the chance to say
ohhh
the words that would meant
the things that were broken
but now it's far too late
she's gone away

every night you cry yourself to sleep
thinking why does this happen to me
why does every moment have to be
so hard, hard to believe that

it's not over tonight
just give me one more chance to make it right
I may not make it through the night
I won't go home without you

the taste of her breath, I'll never get over
the noises that she made kept me awake
ohh
the weight of things that remained unspoken
built up so much, it crushed us everyday

every night you cry yourself to sleep
thinking why does this happen to me
why does every moment have to be
so hard, hard to believe that

it's not over tonight
just give me one more chance to make it right
i may not make it through the night
i won't go home without you
whoaaa X2

of all the things i felt
but never really shown
perhaps the worst is that
i ever let you go
i should not ever let you go, oh, oh, oh

it's not over tonight
just give me one more chance to make it right
i may not make it through the night
i won't go home without you
whoaaa
it's not over tonight
just give me one more chance to make it right
i may not make it through the night
i won't go home without you
i won't go home without you
i won't go home without you
i won't go home without you
