

Marta Dryll, Dark Side of Life (ft. Michał Pakulski)

Dark Side of Life
too dark for us

waiting for us to find
dawning of a healing
this night we cannot escape
I can tell you it won't hurt

high time we grasp
the meaning of living
in Dark Side of Life

Dark Side of Life
has tangled my soul
let you repay
every pain that you cause
as long as i
I still believe for yours my heart beats

Dark Side of Life
too dark for us

yearning for us to learn
pleasure of dreaming
this night you shouldn't give in
I can tell you pass is ded

high time we grasp
the meaning of living
in Dark Side of Life

Dark Side of Life
has tangled my soul
let you repay
every pain that you cause
as long as i
I still believe for yours my heart beats

Dark Side of Life
too dark for us
