

Martin Fitch (Marcin Mroziński), Legenda

Za lasem, za górą,
Żył raz rycerz PawiePióro.

Every day I think about tomorrow,
Wanna see my Princess much closer.
I've decided never feeling sorrow -
I will share my heart when I find her.

I'll be forever, ever and ever
Feeling this love 'till the day when I die.
Being together even no matter,
You didn't want me to be by your side.

Z zamku porwał Pannę,
Pogoń dała skutki marne.

Lovely Princess
I am here to save you
Take my hand and say that you love me.
If you ever say it even lying
I will let you fly like a bird - free.

I'll be forever, ever and ever
Feeling this love 'till the day when I die.
Being together even no matter,
You didn't want me to be by your side. |x2

Morał z tego taki jest że
Nie spodobał się Rycerz jej.
