Za lasem, za górą,  
Żył raz rycerz PawiePióro.

Every day I think about tomorrow,  
Wanna see my Princess much closer.  
I've decided never feeling sorrow -  
I will share my heart when I find her.

I'll be forever, ever and ever  
Feeling this love 'till the day when I die.  
Being together even no matter,  
You didn't want me to be by your side.

Z zamku porwał Pannę,  
Pogoń dała skutki marne.

Lovely Princess  
I am here to save you  
Take my hand and say that you love me.  
If you ever say it even lying  
I will let you fly like a bird - free.

I'll be forever, ever and ever  
Feeling this love 'till the day when I die.  
Being together even no matter,  
You didn't want me to be by your side. |x2

Morał z tego taki jest że  
Nie spodobał się Rycerz jej.
