Keep on running
Keep on running

Oh my God! I just feel so lost when you're gone
Sad to the bone
Day and night, I've been searching deep in my soul
Now I know

No matter what it takes
I'll be waiting there for you
I can't wait until you're in my arms
Oh my God! I just feel so lost when you're gone
Sad to the bone

Baby, I keep running
I know you're waiting
I know you're waiting for me
Gotta make it home
This is where I belong
I keep running
I keep running

Oh my God! I just feel so lost when you're gone
Sad to the bone
Day and night, I've been searching deep in my soul
Now I know

No matter what it takes
I'll be waiting there for you
I can't wait until you're in my arms
Oh my God! I just feel so lost when you're gone
Sad to the bone

Baby, I keep running
I know you're waiting
I know you're waiting for me
Gotta make it home
This is where I belong
I keep running
I keep running

Baby, I keep running
I know you're waiting
I know you're waiting for me
Gotta make it home
This is where I belong
I keep running
I keep running

Keep on running
Keep on running
Keep on running
Keep on running

Baby, I keep running
I know you're waiting
I know you're waiting for me
Gotta make it home
This is where I belong
I keep running
I keep running

Baby, I keep running
I know you're waiting

I know you're waiting for me
Gotta make it home
