

# Martin Solveig, +1 (feat. Sam White)

Uh baby,  
The night is young,  
Can I be you  
Can I be your +1?  
Can I be your +1?  
I could be your +1

Music on my skin if you tell me  
All you have to say you've got that triple  
A And I'm on my way if you tell me  
Can I be your +1?  
I could be your +1  
Uh baby,  
Ever feel you're naughty for the fun baby  
I could take you undercover for run baby  
The night is young,  
You and me on the run,  
Can I be your +1?  
Uh baby,  
Would you play my song?  
Show me the ropes,  
I know you're sinking tonight  
I know how far you've come  
So can I be your +, your +, be your +1?  
One one one Can I be your +1?  
I'll be everything, everything, everything if you let me in  
Can I be your +1?  
Can I be your +1?
