

Martin Solveig, +1 (feat. Sam White)

Uh baby,
The night is young,
Can I be you
Can I be your +1?
Can I be your +1?
I could be your +1

Music on my skin if you tell me
All you have to say you've got that triple
A And I'm on my way if you tell me
Can I be your +1?
I could be your +1
Uh baby,
Ever feel you're naughty for the fun baby
I could take you undercover for run baby
The night is young,
You and me on the run,
Can I be your +1?
Uh baby,
Would you play my song?
Show me the ropes,
I know you're sinking tonight
I know how far you've come
So can I be your +, your +, be your +1?
One one one Can I be your +1?
I'll be everything, everything, everything if you let me in
Can I be your +1?
Can I be your +1?
