

Marty Robbins, Don't Worry Bout Me

Don't worry bout me it's all over now though I may be blue I'll manage somehow
Love can't be explained can't be controlled one day it's warm next day it's cold
Don't pity me cause I'm feeling blue don't be ashamed it might have been you
Oh oh oh oh oh love kiss me one time then go love I'll understand don't worry bout me
[guitar]

Sweet sweet sweet love will I want you to be as happy as I when you love me
I'll never forget you your sweet memory it's all over now don't worry bout me
When one heart tells one heart one heart goodbye one heart is free one heart will cry
Oh oh oh oh oh sweet sweet baby sweet baby sweet
It's all right don't worry bout me
