Marvin Gaye, Let's Get It On

I've been really tryin, baby Tryin to hold back these feelings for so long And if you feel, like I feel baby Come on, oh come on,

Let's get it on Let's get it on Let's get it on Let's get it on

We're all sensitive people With so much love to give, understand me sugar Since we got to be Lets say, I love you

There's nothin wrong with me Lovin you And givin yourself to me can never be wrong If the love is true

Don't you know how sweet and wonderful, life can be I'm askin you baby, to get it on with me I aint gonna worry, I aint gonna push So come on, come on, come on baby Stop beatin round the bush....

Let's get it on Let's get it on Let's get it on Let's get it on
