

# Mary J. Blige, All That I Can Say

Loving you is wonderful  
Something like a miracle  
Rest assured I feel the same way you do  
Needing you it isn't hard  
With you I can let down my guard  
Stay secure that's all I'm asking of you  
I wish I had words to tell  
This feeling that I know so well  
But I don't, I don't

Chorus:

All that I can say  
Do do, do do, do do, do  
All that I can say  
Do do, do do, do do, do

I've always been curious  
Needing someone serious  
Looking for someone who loves like me  
But the day I stopped my search  
It seemed that you were put on Earth  
To show me everything I could not see  
I wish I could find a way  
To tell you how I felt that day  
But I can't (I just can't)  
I can't

Chorus

Knowing him, touching him  
Showing him that I'm all in  
Living and forgiving him  
I would do it all again  
Genuine seraphim  
Sweeter than cinnamon  
Heaven-sent gentleman  
Synonyms for loving him

Chorus

Ad-libs:

I love you, I love you  
Oh I don't wanna live without you  
You're all that I can say  
Loving you is wonderful  
(Do do, do do, do do, do)  
All that I can say  
(Do do, do do, do do, do)  
All that I can say  
(Do do, do do, do do)
