

# Mary J. Blige, As

[GM]

As around the sun the earth knows she's revolving  
And the rosebuds know to bloom in early May  
Just as hate knows love's a cure  
You can rest your mind assured  
That I'll be lovin' you always  
As now can't reveal the mystery of tomorrow  
But in passing will grow older every day  
Just as all is born is new  
You know what I say is true  
That I'll be lovin' you always

[All]

Until the rainbow burns the stars out of the sky  
Until the ocean covers every mountain high  
Until the day that eight times eight times eight is four  
Until the day that it's the day that I'm no more

[MJB]

Did you know that true love asks for nothing  
Her acceptance is the way we pay  
Did you know that life has given love a guarantee  
That last through forever  
Another day

[GM] As today I know I'm living for tomorrow  
Couldn't make me be the past but that I mustn't fear

[MJB] Now I know deep in my mind

The love of me I left behind

[GM] And I'll be loving you always

[1 - All]

Until the rainbow burns the stars out of the sky  
Until the ocean covers every mountain high  
Until the dolphins fly and parrots live at sea  
Until we dream of life and life becomes a dream  
Until the day is night and night becomes the day  
Until the trees and seas just up and fly away  
Until the day that eight times eight times eight is four  
Until the day that it's the day that I'm no more

[GM] Did you know that true love asks for nothing

[MJB] (True love don't wanna pay)

[GM] Her acceptance is the way we pay

Did you know that life has given love a guarantee  
To last through forever

[MJB] Another day

[GM] As around the sun the earth knows she's revolving  
And the rosebuds know to bloom in early May

[MJB] Now I know deep in my mind

The love of me I left behind

[GM] That I'll be lovin' you always

[Repeat 1]

Always

Always
