

Mary J. Blige, Be Without You

I wanna be with you, gotta be with you, need to be with you

(Oh, oh, oh, oh)

I wanna be with you, gotta be with you, need to be with you

(Oh, oh, oh, oh)

Oooo (oh, oh, oh, oh) oooo

Chemistry was crazy from the get-go

Neither one of us knew why

We didn't build nothing overnight

Cuz a love like this takes some time

People swore it off as a phase

Said we cant see that

Now from top to bottom

They see that we did that (yes)

Its so true that (yes)

Weve been through it (yes)

We got real sh** (yes)

See baby we been...

Too strong for too long (and I cant be without you baby)

And Ill be waiting up until you get home (cuz I cant sleep without you baby)

Anybody whos ever loved, ya know just what I feel

Too hard to fake it, nothing can replace it

Call the radio if you just cant be without your baby

I got a question for ya

See I already know the answer

But still I wanna ask you

Would you lie? (no)

Make me cry? (no)

Do somethin behind my back and then try to cover it up?

Well, neither would I, baby

My love is only your love (yes)

Ill be faithful (yes)

Im for real (yes)

And with us youll always know the deal

Weve been...

Too strong for too long (and I cant be without you baby)

And Ill be waiting up until you get home (cuz I cant sleep without you baby)

Anybody whos ever loved, ya know just what I feel

Too hard to fake it, nothing can replace it

Call the radio if you just cant be without your baby

See this is real talk

Im always stay (no matter what)

Good or bad (thick and thin)

Right or wrong (all day everyday)

Now if youre down on love or dont believe

This aint for you (no, this aint for you)

And if you got it deep in your heart

And deep down you know that its true (come on, come on, come on)

Well, let me see you put your hands up (hands up)

Fellas tell your lady shes the one (fellas tell your lady shes the one, oh)

Put your hands up (hands up)

Ladies let him know he's got your love

Look him right in his eyes and tell him

Weve been...

Too strong for too long (and I cant be without you baby)

And Ill be waiting up until you get home (cuz I cant sleep without you baby)

Anybody whos ever loved, ya know just what I feel

Too hard to fake it, nothing can replace it

Call the radio if you just cant be without your baby

Heeeeeeeeeey Ohhhhhhhhhhhhh

Heeeeeeeeeey Ohhhhhhhhhhhhh

I wanna be with you, gotta be with you, need to be with you

I wanna be with you, gotta be with you, need to be with you

I wanna be with you, gotta be with you, need to be with you

I wanna be with you, gotta be with you, need to be with you

I wanna be with you, gotta be with you, need to be with you
