## Mary J. Blige, Keep Your Head

[Verse 1:]

The day seems so very long

But I'm trying to be strong

(Trying to be strong) Well, hold on, I say

Things will soon turn my way

And then I'll have a clear view

But I gotta keep

[Chorus:]

Keep your head to the sky

I don't need to tell you why

Keep your head to the sky

I don't need to tell you why

[Verse 2:]

I sometimes get worried

And I wonder why I worry

Cause I know that I will make it through the storm

I'm tryin not to lose my cool

Because if in this world I do

The only person that's gonna miss out on everything is me

And I gotta keep

[Chorus]

oooh, ooh

oh, ooh, oh

Keep your head up

Don't you look down for nobody

Don't you do it, don't you do it

Keep your head

[Chorus]

Everyday's a struggle

But struggling to be

Is very hard, so very hard

Because I'm out here trying to do the right thing

And when I look around here's the wrong thing

Tempting me to make me disagree

About how I feel about me

But I gotta keep

[Chorus]
