

Mary J. Blige, Love Is All We Need (remix)

[Nas]

Mary...Mary...Mary
Live ya life girl

[Mary]

Whoa, love is all we need
'Cause everybody needs love

[Verse 1]

Love is all we need
To make everything complete
If we try to live together and be happy
You and me are one
And we've only just begun
So let's make a new beginning and have some fun

[Chorus]

Love is all we need
To make everything complete, all we need is L-O-V-E
Love is all we need (said it's all we need)
'Cause to love you would mean everything
'Cause everybody need love

[Verse 2]

Dealing with tough times
Seems to always blow my mind
But I know where my heart is so I am fine (Nas: live ya life girl!)
If we remain friends
It would never ever end
On this love I give to you, you can depend

[Chorus]

Love is all we need
To make everything complete, all we need is L-O-V-E
Love is all we need (said it's all we need)
'Cause to love you would mean everything
'Cause everybody need love

[Bridge]

Love is all we need
To make every little thing complete, yeah, yeah
Oh, if you would trust in me
I would let you know that I love you

Love is all we need

(said I love you, said I love you)

(Oh, Lord knows that we need it, said we need it, said we need it)

Love is all we need

(Oh said it's all we need...yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah, come on)

'Cause everybody need love

[Nas]

Feel this hit banging in your residential district
Presidents you checked out
Canary rock sizzlin'
Mary's hop hop
Cris shorty got this
Fly angel
My dreams of a queen came true in this land that's dark
If you my man and you my heart
I blast for you
Need bail put up the cash for you
Girls who mad loyal die for you
Leave them if they acting too fly for you

All up in your mix then in somebody else six
Quick to put your name in some murder one shit
I'm not the one cheatin' on you or beatin' on you
'Cause I'm laid back you thought that I was sleeping on you?
Real love make a ill thug feel bug
Nas analyze, are you trustworthy by the looks in your eye?
Stay with me
Be my dog like dollar and Richie
She convinced me
All we really need is love, strictly

Love is all we need...'Cause everybody need love

[Vamp by Mary]

Love is all we need to make everything complete
I want to be happy yeah, want to be happy
Love is all we need, and I know that it can be done
If we can love, if we can love, everybody needs love

'Cause everybody need love!
