

Mary J. Blige, Not Gon

(vs.1)

While all the time that I was loving you
You were busy loving yourself
I would stop breathing if you told me to
Now youre busy loving someone else
Eleven years out of my life
Besides the kids I have nothing to show
Wasted my years a fool of a wife
I shoulda have left your ass a long time ago

(chorus)

Well Im not gon cry,
Im not gon cry,
Im not gon shed no tears
No, Im not gon cry,
Its not the time
Cuz youre not worth my tears
Well Im not gon cry,
Im not gon cry,
Im not gon shed no tears
No, Im not gon cry,
Its not the time,
Cuz youre not worth my tears

(vs.2)

I was your lover and your secretary
Working every day of the week
Was at the job when no one else was there
Helping you get on your feet
Eleven years of sacrifice
And you can leave at the drop of a dime
Swallowed my fears, stood by your side
I shoulda left your ass a thousand times

(chorus)

I know there are no guarantees
In love you take your chances
But somehow it seems unfair to me
Look at the circumstances
Through sickness and health till death do us part
Those were the words that we said from our hearts
So now when you say that youre leaving me
I dont get that part

(repeat vs.2)

(chorus)
