

Mary J. Blige, Our Love

[Verse 1:]

You're my morning star
Shining brightly beside me
And if we keep this love
It would last through all eternity
Just the way we are
A love story
It's just the way it should be

[Chorus 1:]

Cause our love
Will stand tall as the trees
Our love
Will spread wide as the sea
Our love
Will shine bright in the night
Like the stars above
And we'll always be together
Our love

[Verse 1:]

My love is surely one thing
You can surely depend on
In times of darkness and fear
I go to you,
I know you'll make me strong
You're gonna make me happy
You're gonna make me smile

[Chorus 2:]

Our love
will stand tall as the trees
Our love
Will be for the whole world to see
Our love
will change people's wrongs to rights
And will never die
Cause we will always have each other

[Chorus 1]

Break it down
Just a little
Because love is soft, love is sweet
Love is nice, love is gentle
Love is joy, love is pain
Love is light when you're in the rain
I got love on my mind
Love is always right on time
Love is you, love is me
Love is just a little baby
(Our love) I got love on my mind
Love is always right on time time
Love is you, love is me
Love is gonna set you free
(Our love)
