

Mary J. Blige, Testimony

I've had some good days
I've had some bad days
I know about heartbreak
Didn't think that I could make it
I know how it feels to have money
I know how it feels to be broke
And I can tell you 'bout lonely
Cause I've been there before

But when I raised my head up to the sky
All of the emptiness was gone
If you believe you'll see in time
That everything will be alright

It's going to be alright
Everything will be okay
This is a testimony
Mary's story
Trouble don't last always

It's going to be alright
Everything will be okay
This is a testimony
Mary's story
Trouble don't last always

Through my trials and tribulations
I still believe
That God had a greater plan for me
Exceeded all my expectations
But when he gave me what I needed
And now I am set free

But when I raise my head up to the sky (Raise my head)
All of the emptiness was gone (All of it was gone)
If you believe you'll see in time
That everything will be alright

It's going to be alright (Alright)
Everything will be okay (Everything will be okay)
This is a testimony
