

# Mary J. Blige, Till The Morning

We 'bout to take y'all way back, to love  
Morning, can you touch me, can you help me?  
Morning, to the sweet stuff, let me heat up  
Make me loose my mind, loose freq of time  
But I gotta work  
You keep sending messages you wantin me  
But instant messages don't be as ??  
If you wanna get me, put your energy  
You should in the real not on the phone  
Yeah\_yeah  
I'm sensing it when you come close  
Boy come on cause I'm getting mown  
Oooh\_oooh  
I love it when you do that soul  
Turn it up that turns me on  
Morning, can you touch me, can you help me?  
Morning, to the sweet stuff, let me heat up  
Make me loose my mind, loose freq of time  
But I gotta work  
I can see you know most wrepped up in the sheets  
You got me going crazy screeming more  
If you want to get me, like you want me to be  
Than you gotta stop me for dancing on the floor
