

# Marysia Stefanowska, Step by Step - Przesłuchania

Step by step  
Bit by bit  
Stone by stone yeah  
Brick by brick

Step by step  
Day by day  
Mile by mile oooh  
Now don't you slip away  
Don't you go too far  
'Cause when I close my eyes  
I know who you are.

You are the dark emotion  
That makes me hold my breath  
Just like the silent water  
Upon the ocean's depth.

Don't you slip away  
Don't you go too far  
'Cause when I close my eyes  
I know who you are.

It's just the fear of falling  
That makes my lose my grip  
It's just the fear of falling  
That makes my fingers slip.

Step by step  
Bit by bit  
Stone by stone yeah  
Brick by brick

Step by step  
Day by day  
Mile by mile oooh  
Go your way

Baby don't give up  
You've gotta hold on to what you've got  
I said baby don't give up  
You've gotta keep on moving, don't stop, yeah  
Just like a new excursion (I know you're hurting)  
Upon an open road (I know you do)  
I've got the will to take me (I know you're hurting)  
Just where I want to go (don't let the bad thing get to you)

C'mon baby keep moving on  
C'mon baby keep on  
Keep up...
