## Masterboy, Mister Feeling

Chorus:

Mister Feeling dance the night away

Mister Feeling on a holiday

All we need is to get this feeling

Easy living sunshine everyday

Let the feeling never go away

You can call it Mister Feeling...

Ooh...Mister Feeling dance the night away

Ooh...a Mister Feeling

Ooh...Mister Feeling on a holiday

Ooh...a Mister Feeling

Hey check out the new style from MC T

L.O.V.E. is the masterkey

It's the sign of the time

Yeah a beat of the drum

When you lay down on the beach

And you look in the sun

Yeah it's my feeling

With a number one jam

Do it all together baby hand in hand

Let's shake the house

With a boombastic sound

Mister Feeling makes the world go round

Bridge

Fun fun we are dancing in the sun

So let's have fun fun fun

Just me and you

Love love love oh baby

I can't get enough

So feel the love love love

of me and you

Rap 2

Hey let me show you

What this feeling can do

Listen everybody

it's from me to you

Yellow black blue red and white

All the people in the world unite

From east to west coast

All around

It's the jam of the year

Holiday we're bound

Get your worries out of the way

Mister Feeling dance the night away
