

# matchbox twenty, Argue

she don't, but she will  
he says anything to keep her by him  
she takes, what she gets  
and she never did flinch  
so over, and over, anyone  
with any mind would think that's all she gets

if you want you can get to know me well  
we get along so we shouldn't argue  
and I don't know, said I don't know  
all these feelings, cloud up my reasoning  
cloud up my reasoning

I know, but I still  
believe in ignorance as my best defense  
so go on, wreck me  
funny how I carry on, and not be taken over  
will not roll over on anyone,  
cuz anyone would stand up on my side

if you want you can get to know me well  
we get along so we shouldn't argue  
and I don't know, said I don't know  
all these feelings, cloud up my reasoning  
cloud up my reasoning

you know it's funny how sometimes,  
it don't work out like you want to  
no you never get nothing at all  
then she tells you that it's over  
boy don't you hate it when it's over  
I guess something just got lost  
and it deeply saddens me  
so over, and over anyone, who's anyone

if you want you can get to know me well  
we get along so we shouldn't argue  
and I don't know, said I don't know  
all these feelings, they cloud up my reasoning  
we get along so we shouldn't argue  
we get along so we shouldn't argue  
we shouldn't argue
