

# matchbox twenty, Girl Like That

You think this life would make me bolder  
But I'm runnin' scared is all  
Well, I hang on everything about you  
You think I'd settle down cuz I'm older  
But I roll with the change is all  
Well, I'm same old trailer trash in new shoes

she gets sad when there's nothing going on, yeah  
she says it makes her feel damn worthless

Chorus 1:

Well, ya got to think, with a girl like that, any love at all  
Its better than nothing  
Well, it's better than nothing

I put my hand around your shoulder  
You're saying you're scared is all  
I think I know too much about you  
You think this life would make me colder  
I'd give in to the alcohol  
I put my loving arms around you, child

You knew damn well there was nothing going on, yeah  
Is that what makes you feel damn worthless?

Chorus 2:

Well, ya got to think, with a girl like that, any love at all  
It's better than nothing  
Well, it's better than nothing  
Good god  
Well ya got to think, with a girl like that, any love at all, no no  
Is better than nothing  
Well, it's better than nothing

Yeah, well, she drags you down and she pulls you up  
she pulls you up  
says that she's sorry now but it's not enough  
To pull you up  
Well, she's sorrrrrry...

I wake up quick just like I want to  
Yeah, but I stay up much too late  
You think this life can get a bit unkind  
But she stays down 'til the worth is gone  
and pulls you up, she pulls you up, yeah  
she pulls you up and over...over...

(Chorus 2)

(Chours 1)

Well you got to think with a girl like that  
Well you got to think with a girl like that  
You've got to think with a girl like that  
Well, thank her
