

# Mates of State, Now

I've been waiting for a sign  
I've been waiting for a sign  
To tell me where, tell me where  
I belong  
And you've been waiting for the night  
You've been waiting for the night  
To take you far, take you far  
Away from me

Now, now, now, now, now, now, now  
Now, now, now, now, now, now, now  
Now, now, now, now, now, now, now  
Ho, ho, ho, ho  
Now, now, now, now, now, now, now  
Now, now, now, now, now, now, now  
Now, now, now, now, now, now, now  
Ho, ho, ho, ho

I've been waiting for a sign  
I've been waiting for a sign  
To tell me where, tell me where  
Where I belong  
And you've been waiting for the night  
You've been waiting for the night  
To take you far, take you far  
Away from here

Now, now, now, now, now, now, now  
Now, now, now, now, now, now, now  
Now, now, now, now, now, now, now  
Hoo! Hoo! Hoo! Hoo!  
Now, now, now, now, now, now, now  
Now, now, now, now, now, now, now  
Now, now, now, now, now, now, now  
Hoo! Hoo! Hoo! Hoo!

And as I'm waiting on your doorstep, now  
I notice patterns in the paint  
I'm wondering how the glass will hit when I  
As I turn and go in shame

Now, now, now, now, now, now, now  
Now, now, now, now, now, now, now  
Now, now, now, now, now, now, now  
Now, now, now, now, now, now, now  
Now, now, now, now, now, now, now  
Now, now, now, now, now, now, now  
Now, now, now, now, now, now, now  
Now, now, now, now, now, now, now  
Now, now, now, now, now, now, now
