

Matt Dusk, Rich In Love (feat. SANAHA)

I would like a Maserati
Season tickets to the Yankees
New suits by Armani
Diamond cufflinks from Tiffanys

dock my yacht down in Miami
play a round of golf with Tiger Woods
I'd buy myself a Grammy
just cause I could

these are the thing
that I'd love to get
but I am broke as a joke
and I am swimming in debt

I am still living like a bawler
and I never need a dollar
cause I've got whan money can't buy

keep you Dolce gabbana
darling you're a cut above
whit yoy I am rich in love
I could really use a butler
and a salon for my Monet
a bird in every colour
inging Gershwin everyday

wondering if they're selling planets
and perhaps a little moon or two
I'll justthrow it on my Amex
like successful people do

these ate things
that I'll never know
cause i am deep in the red
and I can't get a loan

I am so happy as pickle
and I hardly have a nickel
what I've gots a billion to one

so keep the Dolce Gabanna
Darling you're cut above
with you I am rich
I'd never switch
with you I am rich in love
