

Matt Wertz, Everclose

Everclose
Have I come
To touching you
To seeing The One

Everclose
Is my hand to Yours
My fingers outstretched
Blinded by The Son

(Chorus)
Free me, prison bound
Free me, trumpets sound
Free me, Your love abounds

Everclose
I strive and fight
Teeth gnashing
Your hand in mine

Everclose
to where I want to be
We're walking in light
Walking free

(Chorus)
your love abounds...(over and over fade)
