Matt Wertz, Everclose

Everclose Have I come To touching you To seeing The One

Everclose Is my hand to Yours My fingers outstretched Blinded by The Son

(Chorus) Free me, prison bound Free me, trumpets sound Free me, Your love abounds

Everclose I strive and fight Teeth gnashing Your hand in mine

Everclose to where I want to be We're walking in light Walking free

(Chorus) your love abounds...(over and over fade)
