

# Matt Wertz, Sweetness In Starlight

fallin' asleep to the sound of stars shootin' round the moon  
but i can't watch them fly tonight, baby  
i'm too busy watching you  
i guess your smile is the sun's way of lighting up what's dark, yeah  
so shine, shine, shine, for me baby  
it only takes a spark  
sweetness in starlight  
sweetness 'til the day sighs  
sweetness in starlight  
sweetness 'til the sunrise, yeah...oh the day sighs  
and there's nothin' under these bright stars  
that could bring this night to ruin  
so hold on tightly to me, baby  
cuz tonight's gonna end too soon  
and your touch is potent medicine, oh  
knocks me out with just one shot, yeah  
i've never seen such strong elixir, baby  
it fixes all that i'm not  
you fix all that im not, yeah  
sweetness in starlight  
sweetness 'til the day sighs  
sweetness in starlight  
sweetness 'til the sunrise  
yeah, i'm holdin' on so tightly baby  
i won't let you go  
i won't let you go...  
sweetness in starlight  
sweetness 'til the day sighs  
sweetness in starlight  
sweetness 'til the sunrise  
on and on...oh, yeah  
la di da, um dee da um dee da...
