I wasn't planning on being here
Don't even know anybody to talk to
My friends are making friends
I need someone to come to my rescue
There you are

Something in the way your body doesn't need a beat to find the groove
So I'm asking you

Give me your tempo
Give me your tempo
You can set the pace tonight
Show me the rhythm that you like
If you wanna dance love
Or wanna crescendo
You can set the pace tonight
So put your hand in mine
Give me your tempo
Ooh ooh
Oh oh
Give me your tempo
Ooh ooh
Oh oh
Give me your...

Something in the way you move
It's almost like the music follows you
Something in the way your body doesn't need a beat to find the groove
So I'm asking you

Give me your tempo
Give me your tempo
You can set the pace tonight
Show me the rhythm that you like
If you wanna dance love
Or wanna crescendo
You can set the pace tonight
So put your hand in mine
Give me your tempo
Ooh ooh
Oh oh
Give me your tempo
