

# Matthew Clarck & Sabina Jeszka, Same Direction

Whole night try to be myself  
But something was missing  
Missing  
Whole night try to do the best I can  
But something was missing

Than you came  
And showed me how to live  
And which way I have to go  
have to go  
Than you came  
And showed me how to love  
How to love

Coz we flown in the same direction  
I'm tired of looking someone else  
Coz we flown in the same direction  
I know, I know  
I just wanna be with you  
be with you boy  
be with you  
be with you boy

I do the best I can  
the best I can  
Try to do the best I can

Whole life didn't understand  
That you were around  
around  
Whole life didn't see that you were here  
But now it's all right  
Now, I know that you're in my heart  
And totally blown my mind  
Now, I know that you just feel the same boy  
I know that you just feel the same

Coz we flown in the same direction  
I'm tired of looking someone else  
Coz we flown in the same direction  
I know, I know  
I just wanna be with you  
be with you boy  
be with you  
be with you boy

I do the best I can  
the best I can  
Try to do the best I can
