

Matthew West, Turn Around

This rock is tied around my ankle
This thorn is buried in my skin
I wonder why I have to struggle
But then again if I wasn't drowning I wouldn't need you to save me
Oh, and if I wasn't broken I wouldn't need you to heal me
You keep me broken

Chorus:

Don't let this river get lost in the ocean
Don't let this rock take me down, down, down
My heart is standing at the edge of the world
I need you to help me make the turnaround

So many puzzles with no answers
So many questions with no peace
So many second guesses, but then again I guess
If I wasn't drowning I wouldn't need you to save me
If I wasn't broken I wouldn't need you to heal me
Oh, Lord I'm drowning

Chorus:

Don't let this river get lost in the ocean
Don't let this rock take me down, down, down
My heart is standing at the edge of the world
I need you to help me make the turnaround

Na na na na
na na na na
Help me make the turnaround
na na na na
I need you
I need you
na na na na
Help me make this turnaround

Bridge:

I need you
I know I need you

Chorus:

Don't let this river get lost in the ocean
Don't let this rock take me down, down, down
My heart is standing at the edge of the world
I need you to help me make the turnaround

Turnaround

Na na na na
Na na na na
Help me make the turnaround
Na na na na
I need you
I need you
Na na na na
I need you
Na na na na
Help me make the turnaround
Na na na na
Na na na na
I'm standing at the edge
Na na na na
I'm standing at the edge
I need you
I need you
