

Mburu Sheila, Somebody Help Me

Aggravation
Frustration
Determination
To make it through to better days
Confusion
I'm losing
My grip on reality

Chorus
I told you I didn't want to be a part
Of your life or of your heart
But you have me in your grip so tight
That I can't put up a fight
Now I'm slipping
And I'm falling
Into the murky waters of temptation
And I can't get up
And I can't get out
Somebody help me

Pain
Hurt
Stain my soul
Fear
Doubt
Got me in their hold
Fading slowly into depression
A life of sorrow with no expression

Chorus
Save me before the light fades
Save me before my life turns dark
Save me before my world turns inside out
Save me before I fall into a dark, dreamless sleep

chorus to fade
