

# MC Lyte, Don't Cry Big Girls

[ VERSE 1 ]

This is Lyte, and I'm just here to say  
That I choose to express my feelings this way  
Always alone, either with a microphone  
Or just plainly emphasize the tone  
Of my voice, cause yo, I know I'm your choice  
So when I am speaking, show your gratitude  
While I am teaching, I have no attitude  
I'm just here to get the job totally done  
85% work, 15% fun  
Sometimes I admit, I get so excited  
Rhyme for rhyme, I just can't fight it  
Can't stop the flow, it's just too persistant
