

McAuley Schenker Group, Here Today - Gone To

Such a strange obsession coming over me
Seems that I can't face that stark reality
Need to find the answer
Need to find a way
I don't know what I'm doing here from day to day

Pre-Chorus:

As far as I can see now
The reason's very clear
Is there nothing left for me.....Oh.....

Chorus:

Here today, gone tomorrow I hear you say
No more joy, only sorrow...no other way
Here today, gone tomorrow I hear you say
One last time before you walk away

Bent on self destruction

I can feel the pain

This advice you've given me

Is all in vain

Repeat Pre-Chorus

Repeat Chorus

Did I hear you whisper.....?

Almost reached that point now

The point of no return

Getting closer to that edge.....oooh, I'll never learn!

Repeat Pre-Chorus

Repeat Chorus
