

# Me And That Man (Adam Nergal Darski, John Po

I ain't looking for compassion  
I came to raise the day  
I march for you ...  
Just ... tears and pain  
I ain't coming for forgiveness  
IL not paying for my sins  
I'm betray you, my sweat Jesus  
I have chosen hell on Earth

I will \_\_\_ with murder

Isn't innocent my way  
I won't stop until I'm done

I ain't come here for a coffin  
I am looking for no fun  
Don't expect me to be sober  
When you I'm \_\_\_ wild

Will you know  
I've never pray  
I'm offer no solvation  
I was born to \_\_\_ hell

I will \_\_\_ with murder

Isn't innocent my way  
I won't stop until I'm done

In the garden  
I met my old friend  
His the one  
With many names  
You have always been like brother  
It's good to have you back again  
No I wear my graveyard suit \_\_\_  
And I smoke black cigarettes

I have funeral of \_\_\_

I will \_\_\_ with murder

Isn't innocent my way  
I won't stop until I'm done
