

Me First And The Gimme Gimmes, Mandy

I remember all my life
Raining down as cold as ice
Shadows of a man, a face through a window
Crying in the night, the night goes into

Morning, just another day
Happy people pass my way
Looking in their eyes I see a memory
I never realized how happy you made me

Oh Mandy, well you came and you gave without takin'
But I sent you away
Oh Mandy, well you kissed me and stopped me from shakin'
And I need you today, oh Mandy

1,2,3,4, standing on the edge of time
I walked away when love was mine
Caught up in a world of uphill climbing
Tears are in my eyes and nothing is rhyming

(repeat chorus)

Yesterday's a dream I face the morning
Crying on the breeze, the pain is calling

(repeat chorus)

Oh Mandy, well you came and you gave without takin'
And I sent you away
Oh Mandy, well you kissed me and stopped me from shakin'
And I need you, yeah!
