

Me & My, Sleeping My Day Away

Mumbling goodmorning & raising my head
A bad breath kiss to my pillow pet
I take a look at the day turns & stay in bed
Open my eyes when the day have died
I turned the world and I slept alright
Now my daymare is over I zip my jeans tight
Oh lord won't you bless this night...
From the pale lips of a youth who lay
I'm sleeping my day away
And when the night comes to the city I say
I'm sleeping my day away
Yeah with my pale lips in the pillow I say
I'm sleeping my day away
After dark is the game I play
I'm sleeping my day away I'm sleeping my day away

When my dreams begin I'd be proud to be letting you in
With a smile on my face I guide our dreamboat in
So if you wanna travel along with me
You better sleep tight the rest of the day
You see I could be a sleeper it's not rest I lack
'Coz I hit the sack when the suns coming back

I'm sleeping my day away
I'm sleeping my day away
Yeah! Now I've turned the world around yeah! I did it again
I'm sleeping my day away
And now I have to wear my shades down sleepers lane
I'm sleeping my day away
Yeah! All the good people have gone to bed again
'Coz the devil's at work inside my brain
I'm sleeping my day away I'm sleeping my day away
I'm sleeping my day away I'm sleeping my day away away...
