## Meat Loaf, Cry To Heaven

(Steinman)

Cry, baby, cry Cry, cry to heaven Say a prayer and light a candle Toll a bell

Cry, baby, cry Cry, cry to heaven If that doesn't do it for you Go ahead, and cry like hell...

Cry, baby, cry Cry, cry to heaven Storm the castle, stem the tide Rise above yourself

Cry, baby, cry Cry, cry to heaven If that doesn't do it for you Go ahead, and cry like Go ahead, and cry like Go ahead, and cry like hell...
