

# Meat Loaf, I'd Lie For You (And That's The Truth)

I'd never tell you one lie, I'd never let you down  
I'd never leave, I'd be the one who'd always be around  
Baby give me a chance

I'd pull the sun out from the sky to light your darkest night  
I wouldn't let one drop of rain fall down into your life  
Put your heart in my hands

Believe me baby, I could never do you wrong  
And I would never paint your world blue  
And if sometimes it seems I must have lost mind  
I might be crazy but I'm crazy about you...

I'd lie for you and that's the truth  
Do anything you want me to  
I'd even sell my soul for you  
I'd do it all for you  
If you'd just believe in me

Just take a look in my eyes, you'll see a love that's blind  
Just take a hold of my hand, I'll take you to paradise  
Ain't a star that's too far

Your every wish will be a wish that I will make come true  
And if you want the moon I swear I'll bring it down for you  
Let me into your heart

Believe me baby got your name carved on my soul  
You're the only one that I'll give it to  
Go let 'em say that I'm a fool to act this way  
'Cause if I'm crazy, I'm just crazy 'bout you...

I'd lie for you and that's the truth  
Move mountains if you want me to  
I'd walk across the fire for you  
I'd walk on the wild for you  
If you'd just believe in me...

And you will never see a day I'll ever break your heart  
You'll see the sky fall down before it ever gets that far  
I'll show you heaven every second that you're in my arms  
Baby I'm crazy, but I'm crazy about you!

[Instrumental bridge]

I'd lie for you and that's the truth  
Move mountains if you want me to  
I'd walk across the fire for you  
I'd walk on the wild for you  
If you'd just believe in me

I'd walk across the wild for you  
Move mountains if you want me to  
I'd walk across the fire for you  
Do anything you asked me to

I'd lie for you and that's the truth  
Do anything you asked me to  
I'd even sell my soul for you  
I'd do it all for you  
If you'd just believe in me

I'd lie for you and that's the truth  
Move mountains if you want me to

I'd walk across the fire for you  
I'd walk on the wild for you  
If you'd just believe in me...

I'd lie for you and that's the truth
