

# Meat Loaf, Not A Dry Eye In The House

Not a dry eye in the house  
After love's curtain comes down  
Listen and you'll hear the sound  
Hear the sound of a heart breaking...

I can still see you standing there  
Midnight wind blowin' thorough your hair, remember  
Kisses sweet in the salty air  
When love was forever

Turn the page and we fade to blue  
The scen has changed, now I'm without you, well you just  
Walked away when the act was through  
And the dream was over

It was almost like a movie, the way you said goodbye  
You must have spent a lot of time, rehearsing each and every line

Now there's not a dry eye in the house  
After love's curtain comes down  
Listen and you'll hear the sound  
Hear the sound of a heart breaking, breaking  
Not a smile left on my face  
The ending's just too sad to take  
And there's not a dry eye, not a dry eye in the house

The greatest story was you and me  
We had it all, we had everything, but now the -  
Story's done, it's just history  
The last act is over

Your every line had the sweetest sound  
Your every touch turned my whole world around  
But then the lights cam up and my world crashed down  
End of show - It's over

It was almost like a movie, those nights we touched the stars  
Time stood still for you and I, now it's sad enough to make you cry

Now there's not a dry eye in the house  
After love's curtain comes down  
Listen and you'll hear the sound  
Hear the sound of a heart breaking, breaking  
Not a smile left on my face  
The ending's just too sad to take  
And there's not a dry eye, not a dry eye in the house

Act One: The story's just begun  
Act Two: I fell in love with you  
Act Three: Knew it was meant to be  
Act Four: You don't love me no more...

Not a dry eye in the house  
After love's curtain comes down  
Listen and you'll hear the sound  
Hear the sound of a heart breaking, breaking  
Not a smile left on my face  
The ending's just too sad to take  
And there's not a dry eye, not a dry eye in the house

Not a dry eye in the house  
After love's curtain comes down  
Listen and you'll hear the sound  
Hear the sound of a heart breaking, breaking...

Not a dry eye in the house  
Not a dry eye in the house  
Not a dry eye in the house
