

# Meat Loaf, You Took The Words Right Out Of My

BOY: On a hot summer night, would you offer your throat to the wolf with the red roses?

GIRL: Will he offer me his mouth?

BOY: Yes

GIRL: Will he offer me his teeth?

BOY: Yes

GIRL: Will he offer me his jaws?

BOY: Yes

GIRL: Will he offer me his hunger?

BOY: Yes

GIRL: Again, will he offer me his hunger?

BOY: Yes

GIRL: And will he starve without me?

BOY: Yes

GIRL: And does he love me?

BOY: Yes

GIRL: Yes

BOY: On a hot summer night, would you offer your throat to the wolf with the red roses?

GIRL: Yes

BOY: I bet you say that to all the boys

It was a hot summer night, the beach was burning  
There was fog crawling over the sand  
Oh when I listen to your heart I hear the whole world turning  
I see the shooting stars falling through your trembling hands

Oh, you were licking your lips and your lipstick's shining  
I was dying just to ask for a taste  
Oh, we were lying together in a silver lining  
By the the light of the moon, you know there's not another moment  
Not another moment, not another moment to waste

Oh well, you hold me so close that my knees grow weak  
But my soul is flying high above the ground  
I'm trying to speak but no matter what I do  
I just can't seem to make any sound

And then you took the words right out of my mouth  
Oh, it must have been while you were kissing me  
You took the words right out of my mouth  
Oh, and I swear it's true  
I was just about to say I love you (love you)

And then you took the words right out of my mouth  
Oh, it must have been while you were kissing me  
You took the words right out of my mouth  
Oh, and I swear it's true  
I was just about to say I love you (love you)

Now my body is shaking like a wave on the water  
And I guess that I'm beginning to grin  
Oh, we're finally alone and we can do what we want to  
Oh, the night is young, ain't no one gonna know where you  
No one gonna know where you, no one's gonna know where you've been

Oh, you were licking your lips and your lipstick's shining  
I was dying just to ask for a taste  
Oh, we were lying together in a silver lining  
By the the light of the moon, you know there's not another moment to waste

And then you took the words right out of my mouth  
Oh, it must have been while you were kissing me  
You took the words right out of my mouth  
Oh, and I swear it's true  
I was just about to say I love you (love you)

And then you took the words right out of my mouth  
Oh, it must have been while you were kissing me  
You took the words right out of my mouth  
Oh, and I swear it's true  
I was just about to say I love you (love you)

And then you took the words right out of my mouth (must have been while you were kissing me)  
Oh, you took the words right out of my mouth (must have been while you were kissing me)  
Ooh, you took the words right out of my mouth (must have been while you were kissing me)  
Oh, you took the words right out of my mouth (must have been while you were kissing me)  
Oh, you took the words right out of my mouth (must have been while you were kissing me)  
Oh, you took the words right out of my mouth (must have been while you were kissing me)

You took the words right out of my mouth  
Oh, it must have been while you were kissing me  
You took the words right out of my mouth  
Oh, it must have been while you were kissing me  
You took the words right out of my mouth  
Oh, it must have been while you were kissing me  
You took the words right out of my mouth  
Oh, it must have been while you were kissing me
